CHORUS

G Gmaj7 Cadd9 Cadd9-5 Em7 Em9 Cadd9 Cadd9-5
Turn your eyes upon Jesus, Look full in His wonderful face
G Gmaj7 Cadd9 Cadd9-5
And the things of earth will grow strangely dim
Em7 Em9 Cadd9 Cadd9-5
In the light of His Glory and Grace

VERSE 1

G Gmaj7
He's more than a father, more than a friend
Cadd9 Cadd9-5
More than a Savior whose love never ends
Em7 Em9
He's more than a prophet, more than a priest
Cadd9 Cadd9-5
More than religion, more than beliefs
He's more than the life and the truth and the way, He's more than forever, He's more than today
He's more than me, and He's more than you, He's done more than the whole world together could do

CHORUS

VERSE 2

He's more than a servant, more than a king; He's more than a word in the songs that we sing
He's more than a lion, He's more than a lamb, He's more than divine and He's more than a man
He's more than opinion or history or fact, He's more than the stripes and the scars on His back
He's more than a cross, and He's more than the nails, By His blood is the holy of holies unveiled

CHORUS

BRIDGE

Em7 D/F#
He's more than I hoped for, more than I dreamed
G A7sus4
He's all I could want, and He's all that I need
So I won't look for glory or fortune or fame, I'll look to the heavens and call on Your name
