CHORUS

G Gmaj7 C9 C9-5 Em7 Em9 C9 C9-5
Turn your eyes upon Jesus, Look full in His wonderful face
G Gmaj7 C9 C9-5
And the things of earth will grow strangely dim
Em7 Em9 C9 C9-5
In the light of His Glory and Grace

VERSE 1

G Gmaj7
He's more than a father, more than a friend
C9 C9-5
More than a Savior whose love never ends
Em7 Em9
He's more than a prophet, more than a priest
C9 C9-5
More than religion, and more than beliefs
He's more than the life and the truth and the way, He's more than forever, He's
more than today
He's more than me, and He's more than you, He's done more than the whole
world together could do

CHORUS

VERSE 2

He's more than a servant, more than a king; He's more than a word in the songs
that we sing
He's more than a lion, He's more than a lamb, He's more than divine and He's
more than a man
He's more than opinion or history or fact, He's more than the stripes and the
scars on His back
He's more than a cross, and He's more than the nails, By His blood is the holy of
holies unveiled

CHORUS

BRIDGE

Em7

D/F#

He's more than I hoped for, more than I dreamed

G

A7sus6

He's all I could want, and He's all that I need

So I won't look for glory or fortune or fame, I'll look to the heavens and call on

Your name
